

NRMC is looking for full-time Family Practice Physician to work in our Rural Health Clinic and hospital.

The ideal candidate will be team and community orientated and willing to contribute to the development of expanded and improved services facility wide.

Northern Rockies Medical Center, Inc. is a 20-bed critical access hospital and rural health clinic located in Cut Bank, Montana. Our facility has a modern Laboratory, Respiratory Department and Radiology Department. With Glacier National Park as our backdrop and a mere forty-five minute drive away, it's no exaggeration when we say we are in the center of the absolute best of outdoor recreation. World-class fishing, trophy big game hunting, camping, hiking and much, much more are out your backdoor. With the grandeur and beauty of some of the most pristine outdoor areas in the country within sight, employment at NRMC offers a truly unforgettable experience!

For more information on the above position please contact Thane Bedwell by e-mail at nrmcomt@theglobal.net.
